- 4.

I am working for:

--	--	--	--	--

Note: This chart is designed to work on target behaviors in a school or home setting. The numbers 1-4 can be completed with desired target behaviors (i.e. Wait to talk to Mom after she is off the phone, Use nice words with my friends). The “I am working for” box is where a reward is written or drawn (i.e. computer time, special snack). The 5 Miss Mandy Manners symbols are to be cut and placed in the squares one at a time when the target behaviors are observed. A reward is given when all 5 squares are filled. This behavioral intervention is based on catching a child being good or a token economy.
